#### DO YOU KNOW?

September marked the 15th anniversary of what special event on the LVC campus? (Hint: This special attraction was the first of its kind for private or public entertainment.)

Please submit only one answer to [hayward@lvc.edu](mailto:hayward@lvc.edu) and include your name and class year in your message. Everyone who answers the trivia question correctly will receive a small token of appreciation for participating in the trivia challenge. All entrants will receive a personal response and a confirmation of the correct answer.

The last trivia question was . . . In what year did WLVC, the campus radio station, begin broadcasting?

Answer: Campus records indicate that WLVC began broadcasting in 1980. The station existed as a shortwave, intra-campus, station before 1980, but began broadcasting on AM in 1980. The answer to this month's question will be posted soon on <http://www.lvc.edu/alumni/enewsletter.aspx>.
