What did the dorm mother in Vickroy carry with her as she patrolled the "passion pit"?

Please submit one answer only to hayward@lvc.edu and include your name and class year in your message. Everyone who answers the trivia question correctly will receive a small token of appreciation for participating in the trivia challenge. All entrants will receive a personal response and a confirmation of the correct answer.

The last trivia question was... Freshman women at LVC once had an 8:00 p.m. curfew. In addition to her dormitory, what was the one place on campus where she could "legally" be after the 8:00 p.m. deadline?

Answer: The library. Women could also be in the music building, Engle Hall, practicing after curfew. The answer to this month's question will be posted soon on <http://www.lvc.edu/alumni/tracker.aspx?url=http://www.lvc.edu/alumni/enewsletter.aspx>.
