2010 Program

TITLE: Those Who Can, Teach!

INSTRUCTOR: Herbert L. Steffy, EdD, Assistant Professor of Education

DESCRIPTION: Many people assume that any educated person can teach in a public school classroom. Statistics and experience tell us that this is definitely not true. This program will explore what it means to be a professional teacher; how one becomes a professional teacher; and the work that a professional teacher does. Do you have what it takes to be a professional teacher? Come find out!
