<u>Name</u>	<u>Address</u>	<u>Phone</u>	<u>Email</u>		

### Other Required Materials

- 1) Prepare a résumé. (See Career Services if you need help with this.)  
 Your résumé should include listings of on-campus & off-campus work experiences, research experiences, volunteer/ community service experiences, shadowing & observation experiences with a health professional, extracurricular activities, awards and other pertinent information. Include the starting and ending dates of all experiences.
- 2) Print out and attach a copy of your LVC transcript from Access LVC.
- 3) Prepare a table showing your GPA for each semester and a cumulative GPA at the end of each semester.
- 4) Prepare a one-page personal statement that explains your interest in pursuing a career in the health professions. Include in your explanation an assessment of your strengths and weaknesses as a candidate for a career in the health professions.

This form and the additional materials should be returned to **Ms. Barbara West** in the **Chemistry Office** no later than the end of the Spring semester, your junior year. Ms. West will create a folder for your information and pass it to the Health Professions Committee (HPC). Over that summer, your folder will be assigned to a member of the HPC and you will be made aware of the assignment. You may update any information in your folder by meeting with your assigned HPC member. Examples of information that may require updating, include: the addition of standardized exam scores and schools that have requested a secondary application and, thus, also a recommendation letter from the HPC.
