This year we have modified our practice levels and times to better meet every swimmer's needs. **HIGHLY COMPETITIVE** swimmers are those who are ages 13-18 and will compete in 7+meets per year. The **COMPETITIVE** swimmers are those ages 9-12 competing in 5+ meets per year. The **BEGINNER COMPETITIVE** swimmers are ages 5-8 and compete in 3+meets per year. **INTRO TO COMPETITIVE** swimmers are any swimmers who are not competing in any regulation meets.

The LVC Swim Instruction program provides youth (ages 4 – 18) the opportunity to learn competitive swimming techniques. This does not require anyone to swim competitively. If participants choose to compete for their high school, swim club, or not at all, it is their personal choice. Consequently, we have **two fees**: one for the swim instruction program (check made payable to LVC); and, one for the age group competitive swim team, the Otters ( check made payable to LVST ).

Listed below is the fee program.

### **Fees paid to LVC**

\$220 highly competitive swimmer  
\$170 competitive swimmer  
\$115 beginner complete swimmer  
\$55 high school swimmers (Cedar Crest, Lower Dauphin, etc.)  
\$110 intro to competitive

**Fees for the Otter competitive team** which covers Otter team expenses/swimmer's banquet fee/team gift (payable to LVST)

\$30 for first swimmer  
\$25 for each additional swimmer
