* Students who take SED 110, SED 430 and SED 431 at LVC will not need to take SPE 258. Only those students who transfer into the certification program with one or more of these classes will need this course. If a student is a transfer, they cannot take this in conjunction with SED 431 (or another course that requires more than two hours of field work).

** SED 431 carries 4 hrs/wk of Stage 3 field work. Under the new PDE regulations, all field work requirements must be met prior to student teaching. Under these regulations, SED 431 can no longer be taken during or after student teaching.

*** EDU 245 is designed to be taken during student teaching but may be taken during any semester. There is no field work associated with this course.
