OPE ID: 00328800
PRCN: 201840329890

Dear Dr. Thayne:

The U.S. Department of Education's (Department's) School Participation Team – Philadelphia issued a program review report on October 25, 2018 covering Lebanon Valley College's (LVC) administration of programs authorized by Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§ 1070 et seq. (Title IV, HEA programs), for the 2016-2017 and 2017-2018 award years. LVC's response was received on December 14, 2018 (Findings #1, 2, 3, 6, 7, 8, 9, 10, and 11) and March 8, 2019 (Finding #5). LVC's response for Finding #4 remains outstanding, as detailed in the attached report. A copy of the program review report (and related attachments) and the institution's response are attached. Any supporting documentation submitted with the response is being retained by the Department and is available for inspection by LVC upon request. The Department has made final determinations based on information obtained during the program review and from documentation already submitted by LVC. This Final Program Review Determination (FPRD), related attachments, and any supporting documentation may be subject to release under the Freedom of Information Act (FOIA) and can be provided to other oversight entities after this FPRD is issued.

Purpose:

Final determinations have been made concerning all of the outstanding findings of the program review report. The purpose of this letter is to: (1) identify liabilities resulting from the findings of this program review report, (2) provide instructions for payment of liabilities to the Department, and (3) notify the institution of its right to appeal.

The total liabilities due from the institution from this program review are \$65,823.47.

This final program review determination contains detailed information about the liability determination for all findings.

Protection of Personally Identifiable Information (PII):

PII is any information about an individual which can be used to distinguish or trace an individual's identity (some examples are name, social security number, date and place of birth). The loss of PII can result in substantial harm, embarrassment, and inconvenience to individuals and may lead to identity theft or other fraudulent use of the information. To protect PII, the findings in the attached report do not contain any student PII. Instead, each finding references students only by a student number created by Federal Student Aid. The student numbers were assigned in Appendix A, Student Sample. This appendix was encrypted and sent separately to the institution via e-mail.

Appeal Procedures:

If LVC elects to appeal to the Secretary of Education for a review of the financial liabilities established by this FPRD, the institution must file a written request for a hearing. Please note that institutions may appeal financial liabilities only. The Department must receive LVC's request no later than 45 calendar days from the date LVC receives this FPRD. **The Department requests that LVC submit an original and four copies of its complete request for review.** The request must be sent to:

Attn: Susan Crim, Director
Administrative Actions and Appeals Service Group
U.S. Department of Education
Federal Student Aid/Enforcement
830 First Street, NE UCP3, Room 84F2
Washington, DC 20002-8019

LVC's appeal request must:

- (1) indicate the findings, issues, and facts being disputed;
- (2) state the institution's position, together with pertinent facts and reasons supporting its position; and
- (3) include a copy of the FPRD received by the school.

When it submits its request for appeal, the institution may also include documentation it believes the Department should consider in support of the appeal if such documentation is submitted, please provide one copy on an electronic format, preferably as a PDF, such as on a flash drive. Please provide the additional copies in hard copy format.

If any appeal documents include personally identifiable information (PII), the PII must be redacted, except for the student's name and last four digits of his/her social security number (please see the enclosed document, "Protection of Personally Identifiable Information," for instructions on how to mail records containing PII).

If the institution's appeal is timely, the request for appeal will be transmitted to the Department's Office of Hearings and Appeals (OHA), for an administrative hearing in accordance with § 487(b)(2) of the HEA, 20 U.S.C. § 1094(b)(2). The Hearing Official assigned to the case will issue an order scheduling the submission of briefs and supporting evidence in accordance with 34 C.F.R. § 668.114(c). The institution may therefore submit additional documentation supporting its appeal request at that time. Further, if the institution is appealing a projected liability amount, it may provide detailed liability information from a complete file review, either at the time it initially submits its appeal request or pursuant

to the proceedings at OHA. The procedures followed with respect to LVC's appeal are those provided at 34 C.F.R. Part 668, Subpart H. Interest on the appealed liabilities shall continue to accrue at the applicable value of funds rate, as established by the United States Department of Treasury, or if the liabilities are for refunds, at the interest rate set forth in the loan promissory note(s).

Record Retention:

Program records relating to the period covered by the program review must be retained until the later of: resolution of the loans, claims or expenditures questioned in the program review; or the end of the retention period otherwise applicable to the record under 34 C.F.R. §§ 668.24(e)(1), (e)(2), and (e)(3).

The Department expresses its appreciation for the courtesy and cooperation extended during the review. If the institution has any questions regarding this letter, please contact Jean Brennan at 215.656.6906. Questions relating to any appeal of the FPRD should be directed to the address noted in the Appeal Procedures section of this letter.

Sincerely,

Nancy Paula Gifford
Division Director
